Special Dispatch to THE NEW YORK HERALD.
New York Herald Bureau.
WASHINGTON, Dec. 10.—The net loss to the Government on Shipping Board and Emergency Fleet Corporation activities from the time of creation of the board to June 30 last, the end of the fiscal year, was \$13,000,000. This is the figure given in the first complete financial statement made by the organization. The item of total loss, or cost to taxpayers, is a bookkeeping matter and does not represent true conditions. It is stated that the item of depreciation carried is conservative, but liquidation of the board's business at the time would cut the loss.
